sewer alligator

May 25th, 2020 - sewer alligator stories date back to the late 1920s and early 1930s in most instances they are part of contemporary legend they are based upon reports of alligator sightings in rather unorthodox locations in particular new york city the new york times reports the city rescues several alligators per year some directly from homes where they are kept as illegal pets which can be legally "***preschool education library book reviews gt alligator baby***
